MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

VIA : Chairman, National Intelligence Council
Vice Chairman, National Intelligence Council

FROM : Major General Edward B. Atkeson, USA
National Intelligence Officer for General Purpose Forces

SUBJECT : NIE 4-1-84, Warning of War in Europe

1. Mr. Gates has suggested that we produce a separate summary of Key Judgments of the subject estimate for senior policymakers. I believe that a punchy, very short document (probably not more than three or four printed pages) like the attached would be most useful for this purpose.

2. If you approve, we will distribute copies of the attached summary paper to NFIB Principals for their review before your meeting with them now scheduled for 27 June 1984.
